

Sandpoint Sharks Swim Club

Corporate Sponsorships

Thank you for considering an annual sponsorship for the competitive swim team in Sandpoint. Your sponsorship will fund many much-needed aspects affiliated with the Sandpoint Sharks Swim Club, including coaching fees, pool fees, travel expenses and uniforms.

We all know how good swimming is for you. We also know how hard it is! Our athletes train five days a week, several hours at a time and represent our small town in big ways throughout the region. Through their time in the pool, our athletes develop confidence, self-discipline, sportsmanship, teamwork, time management, college scholarships and much more. Please help us to be able to continue to provide this valuable program to the children in the Sandpoint area.
